CELEBRATING CENTENARIANS

Leonard "Rosie" Ross, 101

“
*I love to entertain
and make people
happy.*”

Leonard "Rosie" Ross is one of Arizona's great living treasures, a testament to the twin pillars of dedication and determination.

Rosie turns 101 years old this month. He is more active and mentally sharper than many people much younger. A lifelong musician who has been playing trumpet professionally since 1923, Rosie hardly ever slows down.

Read more about Rosie and his fascinating life:
