

CELEBRATING CENTENARIANS

Paul Olson, 103

At 103, music man Paul Olson still plays in the "Just for Fun Band."

Paul Olson was born and raised on a farm in Iowa and later took over running the family farm. "I'm retired from there," he says.

In high school, Paul began playing the saxophone and played in the school band, plus a dance band with some friends. Later he also played sax in the town band and a few more local dance bands over the years. "I was never good enough to play professionally," he says, modestly.
