## CELEBRATING CENTENARIANS

*Dodie Haynes, 100*

**D**oris "Dodie" Haynes celebrates her 100th birthday on Feb. 15, 2009. Haynes was born in the charming riverside city of Perrysburg, Ohio, in 1909. A born lover of music, music was always a family affair in her childhood home. "Father would play a full set of trap drums," Haynes recalled. She would join the family's band of merrymakers, which also included her mother and sister. Each played along on one of the many musical instruments at their fingertips from piano and drums to the saxophone, violin and banjo.
